

JOIN US, **HOME** OF the best **CUSTOMER SERVICE EXCELLENCE!**

World class Customer Service Excellence is finding **Intern (01)** to be a part of us!

Job Description

- Consolidate/transform Data for Service level Dashboard
- Review and enhance Service level performance.
- Ensure validity and reliability of report
- Propose solution for moving to cloud (if can)
- Other tasks as assigned by CSE managers. Either small or big ones, you are always contributing to our CSE efficiency thanks to smooth operation & can-do attitude!

*We work flexibly at Unilever. You are not required to go to the office from 9AM to 5PM every day. However, we expect full-time commitment to the job and **very** little disruption from your studying. Some of our interns can handle both working and studying at the same time (with no more than 8 hours **off work/week**), just make sure that you can manage your work quality for the best of both worlds!*

Requirement

- Senior year students or fresh graduate (Data Science background is preferred) with **Python/KNIME** (intermediate); **MS Power App /Automate/ Power BI** (intermediate)
- Available to work **full-time (4~6 months)** in Ho Chi Minh City from June/ July 2021.
- Fast learner with can-do attitude and high responsibility to ensure smooth execution quality.
- **Bonus:** Strong affection for the Supply Chain & prior experience in Customer Service Excellence.

Benefits

Apart from the basic: **allowance**, laptop, shuttle bus, fancy office..., Unilever gives you purposeful brands, amazing people, top-knot digital Supply Chain.

How to apply

Apply at bit.ly/InternU2021 (CV is required)
