THE JETS JOURNEY

6 leadership and business experiences 

3 years 

2 industries 

1 overseas assignment 

We're looking for Rare Talent to join our Jardine Executive Trainee Scheme (JETS). If you aspire to become a business leader, dare to challenge the status quo, and are deeply curious to learn new things, then you're in the right place.

The immersive JETS experience is a blend of interactive, face-to-face learning, on-the-job coaching, action learning periods and job-relevant projects that will provide you with broad exposure to the Jardines business.

EMBARK ON YOUR JETS JOURNEY

The JETS journey will allow you to build out general management capabilities and cement business fundamentals. You'll experience critical business and leadership lessons in three years across two business units. The cherry on top? You'll also get one overseas assignment designed to give you exposure in both mature and developing markets.
