Commercial
& Consumer

1 business
work experience

The six-week paid Jardine Internship Programme (JIP) is designed to put you through the paces of our diverse businesses. You'll gain first-hand experience of what a career at Jardines looks like while also taking part in a variety of real business projects, professional skills workshops, and networking events.

The internship experience will help build your business knowledge while sharpening your leadership skills and developing valuable connections that will advance your career as a future business leader.

You'll take ownership of your work along with enterprising colleagues and a manager, who will map out project expectations, provide guidance and work closely with you on a post-programme review of your experience.

Interns who successfully complete the internship with satisfactory performance will be considered for the Jardine Executive Trainee Scheme.

PROGRAMME LOCATION

You can work in China, Hong Kong SAR, Singapore, Vietnam.

* If COVID-19 circumstances preclude an in-person experience, Jardine Internship Programme may be conducted virtually or remotely with some local in-person elements.

INTERNSHIP PERIOD

4 Jul - 12 Aug 2022
