

JMA INTERNS

Mia

"The amount of experience and comprehension of the fashion industry that you achieve in one JMA Internship is truly remarkable. I learnt so much during my time, as I was thrown into the world of haute couture, press, and communications. Meeting with people in the fashion world such as models, magazine editors, photographers, and designers, I helped make sure that the runway would be a success. Jessica Minh Anh is both a mentor and an inspiration, and is always willing to teach you something new. Another amazing aspect of the JMA internship opportunity is that the catwalks take place at the world's most iconic venues! Exploring the city of Paris, I saw first hand how Jessica intertwines architecture and culture with fashion and art. JMA internship is an unforgettable opportunity I could never pass up!"

I have learnt so much while working within a fast-paced and professional business. Jessica is an inspiring mentor! She is an extraordinary woman who never ceases to amaze me with her determination and innovation. It has been a dream to work alongside someone so established, professional and creative. "I've been very fortunate to have a chance to participate in the organization of Jessica Minh Anh's fashion shows both in Paris and New York. It was amazing to see her in action. She always made the right decisions very quickly, and find a solution to any problem. If you are in one of her shows, you just know everything is going to work out well! One of the qualities I admired the most of Jessica is her ability to identify strength and talents in each individual team member. She always helps us and guides us, and tells us that we have to believe in ourselves. I'm convinced she's a role model for the future generation. With her, we learnt to be confident, creative, and strong to reach our dreams."

Vivian

"I worked for JMA Global at J Autumn Fashion Show and it was a truly fruitful and irreplaceable experience. Throughout the internship, although I was working virtually, I was able to communicate with partners and clients from all over the world effectively. I managed to schedule shoots, visits, events, and join international video conferences as if I was right next to the JMA team. Whenever I had a questions or problems, Jessica and her team were always willing to help me make progress and improve my performance. We got along very well and had a lot of fun working. I was even given a chance to fly out of Hong Kong to help Jessica with her sustainable travel series. I would say Jessica is a visionary leader. She knows exactly what she wants and she always envisions what can be done better. Working for her is very inspiring. I honestly want to thank Jessica Minh Anh for offering me this opportunity!"

Irene

"I've learnt so much working for JMA Global as a virtual Event Coordinator intern. I took part in the preparation of J Autumn Fashion Show and did a variety of tasks from research on multiple industries to PR activities. Although I was working from Rome for a Paris show, the distance between me and Jessica was never a problem. She is an amazing mentor who was always there for me and stimulated me to do my best. I learnt to work fast, efficiently, and accurately and for this I have to thank Jessica Minh Anh. At the end of the internship, I felt that I have improved myself and my skills a lot. I would do it again in a heart beat!"
